

Church Ministry Resources

We at Christian Art Gifts, Inc., believe God created and chose the local church to be the vessel of His good news to the world. And because of that immutable belief, we desire to partner with churches by equipping them with essential tools necessary to fulfill this calling.

The catalog you're currently viewing represents the launch of Christian Art Gifts' Church Ministry Resources program. While not nearly exhaustive of our more than 2200 Christian gift, book, and Bible products, the contents of this catalog were chosen with your church and its ministries in mind. And since we know how tight most church budgets can be, we've lowered the prices we're offering you below anything you'll find in the market.

After reviewing our Church Ministry Resources Catalog, please direct any questions or orders to CJ Van Wagner at cjvanwagner@cagifts.com or 309-740-0256.

For more details on the products in this catalog, or to see our entire line of Christian gifts, books, and Bibles, go to www.christianartgifts.com.

for Everything*
Relive your first date –
the menu, how you were
dressed, the movie or activity
you shared – and remember
when it all began.
